## Twelve Months Prediction

As the planets move around the Great Circle of the Zodiac they pass through the 12 areas known as 'houses', each of which represents a different sphere of human life.\* The moving planets also form angles or aspects with the positions of the planets in your birth chart. These planetary movements are called 'transits'.

Sometimes a planet appears to move backwards through the Heavens which is known as 'retrograde' motion, thereby repeating the aspects it makes to the planets in your birth chart. A retrograde planet is similar to the sensation experienced when you are on a train which overtakes a slower train, making the slower train appear to be moving backwards.

Your predictions for the next twelve months should be used as a helpful guide only. Events in your life may vary from the ones outlined in this forecast. While the planets do not dictate your future, they do provide crossroads and signposts to guide you on your personal voyage through life, helping you to make the right decisions, at the right time, and in the right frame of mind. At all times it is for you to choose the best path to follow, and to develop the most positive elements of your personality.

\*When the time of birth is not known, a Midday chart is produced, which makes it impossible to include the house transits in the report or to accurately determine your Ascendant (Rising Sign) position.

You may find yourself questioning the values and viewpoints, which so far, have sustained you through life. You will be taking life more seriously, and thinking about things in a much deeper and more significant way.

But do try to avoid trying to persuade others to your way of thinking. If you are too forceful in this persuasion, this will undoubtedly cause conflicts. Friends, colleagues and family may understand your points of view, but not necessarily agree with them.

Someone may burden you with a secret, which you will find very difficult to keep .or you may find that you are prying into affairs which do not concern you unearthing information which could either prove upsetting or detrimental to you. This, in itself, may lead to conflict.

Your thoughts will be influenced by powerful emotions and feelings perhaps even re-awakening painful memories from the past. But this is a time to learn from past experiences, consider them a necessary and valuable lesson, and then look to the future.

Problems may arise concerning joint finances or business ventures, so this would not be a good period to negotiate financial deals, or sign contracts.

Also, take special care if you are about to travel this week. Being accident prone, you must be aware of everything that is happening around you. Do not place yourself in danger.
